Garbage should be placed curbside the night before or no later than 6:00 AM on collection day.

- **Acceptable Containers:**

Garbage must be placed in acceptable containers and is limited to no more than four bags or pails per household. Containers must not exceed a weight limit of 20 kilograms (45 pounds) to ensure the safety of waste collection personnel.

- **Large Items and Furniture:**

A maximum of two large items, such as box springs, mattresses, carpets, toilets, couches, chairs, etc., can be disposed of curbside on your regularly scheduled garbage day. However, white goods require special arrangements for pickup.

- **Placement Regulations:**

Garbage must not be placed in a manner that impedes or obstructs pedestrian or vehicular traffic or interferes with municipal maintenance operations.

Violations to the Waste Management By-law may result in a clean-up charge and/or fine. Residents are encouraged to familiarize themselves with these regulations to avoid penalties. For more information, visit leamington.ca/Garbage.

Snow Safety

With winter weather here, check out these tips for keeping local roads safe for our snowplow drivers and other road users.

- During heavy snowfalls, park vehicles in driveways and off the road.
- From November 1 to March 31, there is no on-street parking between 2:00 AM and 6:00 AM unless the vehicle owner has received a winter on-street parking permit. To apply for a permit, please visit leamington.ca/snow.
- Keep garbage and recycling containers on your lawn.
- Do not shovel snow onto roadways.
- Maintain a safe driving distance from snowplows.
