Holiday Season Collection

If your normal collection is on Christmas or New Year's day, we postpone the regular collection of waste and recyclables in order to allow our staff to savour these holidays with their family. See the substitute dates for each year.

2023/24

As of April 1, 2024, your recycling program will be managed by Circular Materials, the administrator of the common collection system and a not-for-profit organization that is committed to building an efficient and effective recycling system in Ontario.

During the transition period, there will be no change to the materials you currently recycle or your recycling schedule. Learn more: circularmaterials.ca/ON
