

2025 Kawartha Lakes  
Municipal Calendar

# Waste management services and collection schedule

## Clear bags are required for waste collection in Kawartha Lakes

We have a **two clear bags per household** limit for weekly garbage collection:

- 40 lb/18 kg maximum per bag.
- No more than 10% of recyclables allowed per bag.
- No more than 10% of organic waste allowed per bag (Organics Program only).

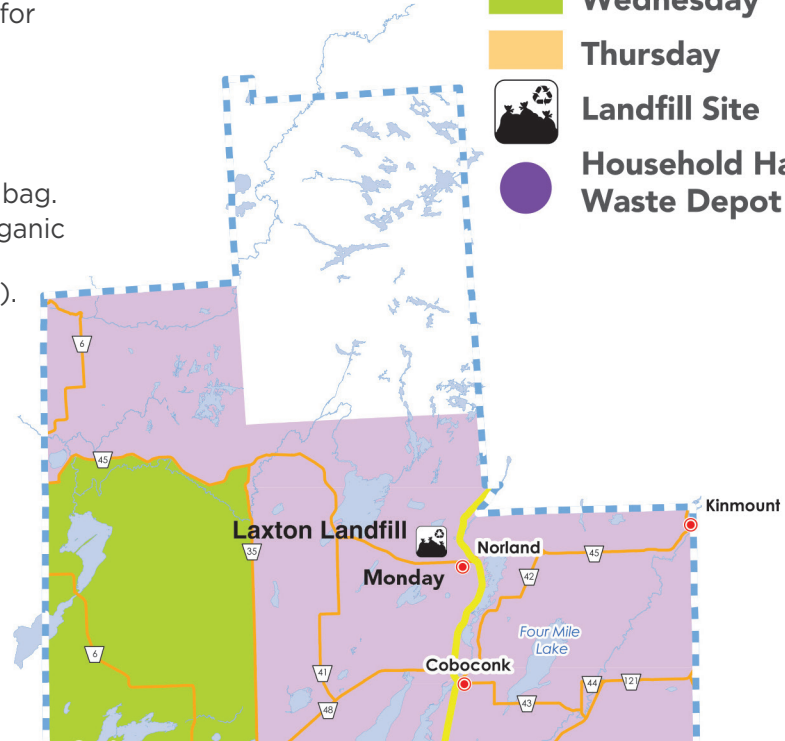

## Recycling and waste collection zones

Find your location on the map to identify your recycling and waste collection day. **Ensure items are at the curb by 7am.**

View the online version of the calendar:  
[www.kawarthalakes.ca/calendar](http://www.kawarthalakes.ca/calendar)

-  Monday
-  Tuesday
-  Wednesday
-  Thursday
-  Landfill Site
-  Household Hazardous Waste Depot

## Landfills

Take your recycling and waste to one of our five landfill locations (see page 29). For more info, such as tipping fees, please visit [www.kawarthalakes.ca/landfills](http://www.kawarthalakes.ca/landfills)

## Calendar Legend

- B** Blue box week (recyclable containers)
- G** Green box week (recyclable paper/fibre)
- O** Organics pickup (food/organic waste)
- X...→** Holidays  
Collection moves forward one day
-  Leaf and yard collection
-  Curbside battery collection  
For more information visit [www.kawarthalakes.ca/batteries](http://www.kawarthalakes.ca/batteries)
- WC** Free woodchip/compost giveaway  
Every Wednesday at the Lindsay Landfill while supplies last.

Art provided by local artists for the **That's a Wrap** art program. The 2024 theme was agriculture and rural life in Kawartha Lakes. The art has been cropped but can be viewed in full on: [www.kawarthalakes.ca/thatsawrap](http://www.kawarthalakes.ca/thatsawrap)

# January • 2025

## Our new Organics Program is here!

Households in the urban areas of Bobcaygeon, Fenelon Falls, Lindsay and Omemee have received a small kitchen catcher and a larger 45L rollout cart for our new curbside organics program launching this month.

Your regular garbage and recycling collection schedule stays the same but on **Fridays**, you will put your rollout cart curbside at 7am to have your organics picked up.

Please note, the first Organics Program pickup is **Saturday January 4** due to a holiday falling midweek. Regular **Friday** collection begins on **Friday January 10, 2025**.

Helpful tips:

- For cleanliness, we recommend using compostable bags in your kitchen catcher.
- Need help sorting? Check out the What Goes Where insert in the middle of the calendar.

Learn more [www.kawarthalakes.ca/OrganicsProgram](http://www.kawarthalakes.ca/OrganicsProgram).

Not in the program? No problem! We encourage you to backyard compost as a way to manage food waste at home. Composters and digesters can be purchased at our service centres. For more information visit [www.kawarthalakes.ca/compost](http://www.kawarthalakes.ca/compost).

# February • 2025

If you're new to Kawartha Lakes, here's what to do with your household waste and recycling:

- Waste must be set out in clear bags weighing less than 40lb (18kg). It must contain less than **10%** of recyclable items and less than **10%** of food waste (if applicable for your area).
- Waste/recycling/organics must be set out by 7am on your day of collection (6am in designated downtown areas). There is no "usual" pickup time; getting your waste out by 7am will ensure that it is picked up.
- Residential units are allowed multiple recycling bins (max size = 22 gallons). Recycling must be loose in bins and not bagged.
- Waste storage bins must have a flagging device (similar to a mailbox) to alert collection staff that there are materials inside to be collected.
- Stretchy plastic film (grocery/bread/produce) must be bundled inside a small clear bag, tied shut and placed in your container recycling bin.
- Rinse your containers of any leftover foods.

For more information, see the helpful handout in this calendar or visit [www.kawarthalakes.ca/waste](http://www.kawarthalakes.ca/waste)

In order to receive waste/recycling collection, private and unassumed roads must be properly maintained. Waste and recycling will not be collected if the driver deems the road unsafe for travel. All roads must follow the standards outlined in the Collection, Removal, Disposal of Solid Waste By-Law in order to receive collection. Please keep the following in mind to avoid any delays in service:

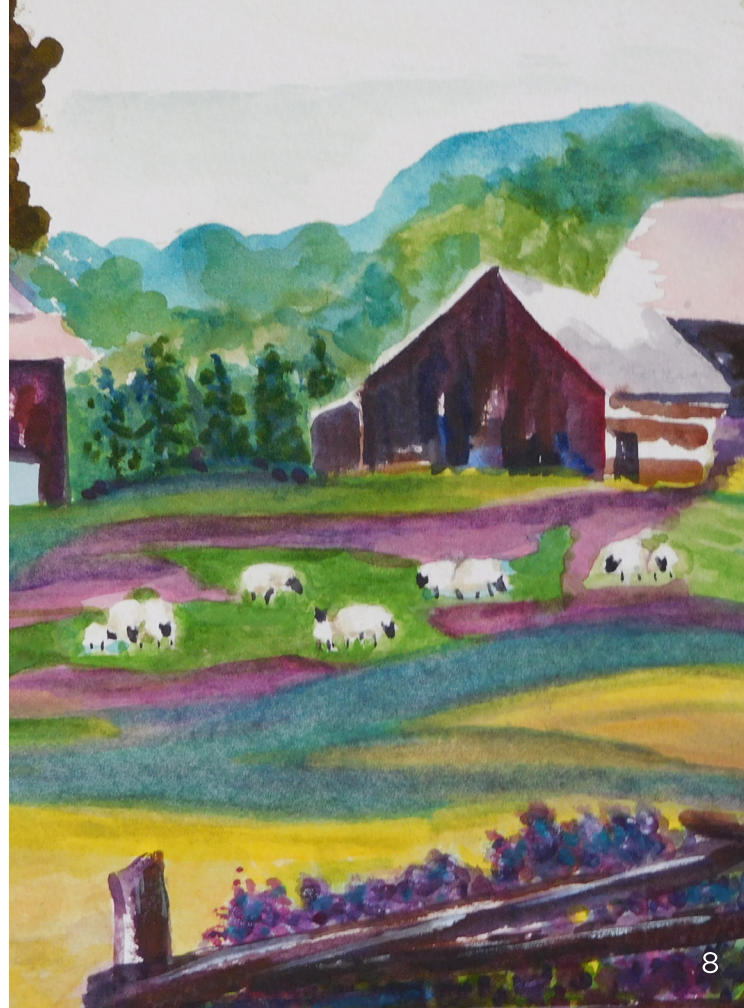

- Have the road plowed to a minimum of 4m/12ft wide.
- Sand or salt the road when needed.
- Make sure vegetation is cut back to a minimum of 5m/15ft high and 4m/12ft wide.
- Fill and grade potholes when needed.
- Provide a suitable turnaround area for the collection truck.
- Waste storage bins must have a flagging device (similar to a mailbox) to alert collection staff when there are materials inside to be collected.

Seasonal road collection resumes May 5 and ends October 24. For any questions regarding collection on private and unassumed roads, please visit [www.kawarthalakes.ca/waste](http://www.kawarthalakes.ca/waste).

## Getting your gardens ready?

Did you know we offer **free** woodchip/compost for pickup at the Lindsay landfill? Visit us on Wednesdays from 8am to 4pm to pick some up!

# April • 2025

Renovation season is gearing up! Did you know the municipality operates a mixed Construction and Demolition waste diversion program for residents at the Lindsay Ops Landfill? The program diverts over 1000 tonnes of waste from our landfill every year! The collected material is recycled to help reduce waste and extend the life of the landfill. Regular tipping fees will apply.

- All residents are welcome to use this program.
- The program is only available at the Lindsay Ops landfill.
- Material must be loose (no bagged materials).
- Materials that can be included in the program: drywall, gypsum, shingles, cabinets, counters, clean wood, porcelain (toilets and sinks), windows, bricks, vinyl siding, and concrete.
- Materials that cannot be included in the program: garbage, hazardous waste, metal, mattresses and rolls of carpet. If you're disposing of these items at the same time, they must be separated and disposed of in the municipality's other waste/recycling programs accordingly.

---

**Summer Camp 2025 registration** begins April 15 at 9am, for details visit [www.kawarthalakes.ca/camps](http://www.kawarthalakes.ca/camps)

Our landfills are always busiest in the summer, especially on Saturdays! Did you know we have a line-up camera for the Lindsay Ops landfill? Check the camera to **know before you go**: [www.kawarthalakes.ca/landfills](http://www.kawarthalakes.ca/landfills)

Follow these steps when visiting our landfills:

- Report to the scale house and follow attendant instructions.
- For your safety, please follow all signs and directions.
- Ensure your waste is in clear bags or loose (black or opaque bags will be charged at a mixed load rate).
- If you don't know where a certain material goes, ask a landfill attendant for help.
- After you drop off your material, return to the scale house to weigh out and get your receipt.
- Always scale in and scale out. Even though your load might be free, we still need to capture the weight of the materials you're leaving behind.
- **Note:** Landfills accept credit/debit payments only.

Kawartha Lakes has a zero tolerance policy for violence or harassment. Unruly behaviour will not be tolerated and could result in tipping privileges being revoked. Finally, be sure to thank the staff for the amazing job they do in keeping Kawartha Lakes green!

## Have you heard about our Round Up Days?

At Round Up Day events, residents can drop off household hazardous waste, textiles, bulky plastics and electronics for recycling **free of charge**. Our Waste Management division hosts four Round Up Day events every summer:

- Carden Round Up Day — Saturday June 21
- Manvers Round Up Day — Saturday July 19
- Bobcaygeon Round Up Day — Saturday July 26
- Coboconk Round Up Day — Saturday August 16

Save yourself a trip to the landfill by attending one of our Round Up Days. For a full list of what you can recycle, visit [www.kawarthalakes.ca/RoundUpDays](http://www.kawarthalakes.ca/RoundUpDays). Commercial hazardous waste (produced by a business) will not be accepted at our depots or Round Up Days.

Can't make it to a Round Up Day event? Did you know that we offer curbside pickup of **large items** (old appliances, furniture, electronics, toilets, etc.), **Freon appliances** (fridge, air conditioner, freezer, etc.), and **mattresses/box springs**? Have us come to you by buying a Curbside Tag at one of our service centres or online here [www.kawarthalakes.ca/curbsidetags](http://www.kawarthalakes.ca/curbsidetags).

Do you need help sorting your garbage, organic waste, or recycling? We have an app for that! The **Recycle Coach** app is a personalized waste and recycling coach available right at your fingertips.

Download it today for weekly collection reminders, waste program notifications (weather delays, special collection reminders, recycling tips) and more, delivered right to your mobile device.

The app also has a handy **What Goes Where** (WGW) sorting tool. If you aren't sure if something is recyclable or not, all you have to do is type the name of the item or take a picture of it and the **WGW** tool will do the rest.

With Recycle Coach, you'll never miss a collection day and you'll be a waste sorting master in no time. **Download the Recycle Coach app today:**

It's **free** to take your household hazardous waste to the depots at the Fenelon or Lindsay Ops landfills! Items accepted include cooking oil, automotive liquids and oil filters, batteries, paints and solvents, empty tanks and containers, personal care products, products that contain mercury, pesticides and fertilizers.

For each category listed above, there is a 55lb (25kg) weight limit per customer per day. Due to the weight limits, **residents are asked to bring small loads of household hazardous waste to the depots** when they come. Quantities greater than the limit will not be accepted in one trip.

Did you know we have a **Paint Reuse** program? From May 1 to October 15, residents can pickup or drop off used paint at the Fenelon and Lindsay Ops landfill household hazardous waste depots free of charge while supplies last. Help us keep used paint out of our waste stream by participating in the Paint Reuse program, [www.kawarthalakes.ca/diversion-programs](http://www.kawarthalakes.ca/diversion-programs) for more information.

## Report Illegal Dumping

If you come across areas littered with garbage or hazardous waste, **Report It** at [www.kawarthalakes.ca/reportit](http://www.kawarthalakes.ca/reportit) or call Kawartha Lakes at 705-324-9411.

Located in 14 communities across the municipality, Kawartha Lakes Public Library (KLPL) branches are a central source of service, support, education and entertainment for all Kawartha Lakes residents.

While our libraries offer a ton of fun, exciting, and educational children's programming throughout the year, we also offer adult programming that you may not know about.

Come out and socialize with fellow adults, join a book club or craft group, play board or card games, listen to author presentations or even join a writers group. Stay active and involved with fellow like-minded adults, visit [www.kawarthalakeslibrary.ca/adults](http://www.kawarthalakeslibrary.ca/adults) to learn more.

October is National Library Month and the third week of October is Ontario Public Library Week. Visit [www.kawarthalakeslibrary.ca](http://www.kawarthalakeslibrary.ca) to find out what we're doing to celebrate.

And don't forget to subscribe to the KLPL Calendar to never miss a program or event:

Save yourself a trip to the landfill! Did you know the municipality offers curbside programs to help you manage your waste without having to leave your driveway?

The following **free** special collection events happen twice a year:

- Curbside battery (March and November)
- Curbside leaf and yard (June and November)

For a small fee we also offer curbside pickup of **large items** (old appliances, furniture, electronics, toilets, etc.), **Freon appliances** (fridge, air conditioner, freezer, etc.), and **mattresses/box springs**. All you have to do is buy the curbside tags and arrange pickup with Miller Waste.

You can buy them online [www.kawarthalakes.ca/curbsidetags](http://www.kawarthalakes.ca/curbsidetags) or visit one of our Municipal Service Centres to buy them in person.

Once you've bought your tags, call 1-888-557-4711 or email Miller Waste ([kawarthalakes@millerwaste.ca](mailto:kawarthalakes@millerwaste.ca)) to arrange pickup of the items on your next regular collection day.

 **Curbside Leaf and Yard** (L&Y) collection returns this month. Collection happens on Fridays as outlined below. Visit [www.kawarthalakes.ca/curbside-collection](http://www.kawarthalakes.ca/curbside-collection) for more info.

## Winter weather can lead to waste collection delays.

Due to the nature of weather delays, Miller Waste often won't know if there will be a delay until it is happening. That makes proactively communicating weather delays difficult. While we can't control the weather, we can do our best to notify you as early as possible. Check out **Page 20** to learn all of the ways we'll communicate a waste collection delay.

If your waste is missed due to a waste delay, the following will generally apply:

- Missed garbage: Your next waste collection day will be a double garbage day. The two-bag limit is doubled for the week so you can put out four bags.
- Missed organics: Bring your missed organics back inside and then bring them back out the following week for collection.
- Missed recycling: Bring your missed container/fibre recycling back inside and then put it out in two weeks on your next container/fibre collection day.

Note: If your waste is missed due to sorting issues, there will be a sticker on it to let you know why it hasn't been collected.

# Landfill locations

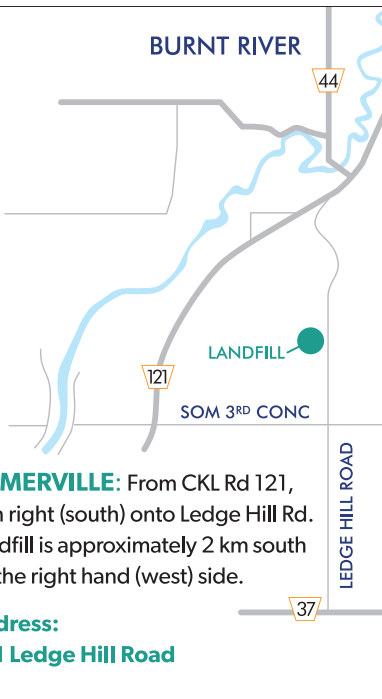

## There are five landfills in Kawartha Lakes:

**LINDSAY:** North-east of Lindsay, off CKL Rd 36. Going north, turn left (west) onto Wilson Road (at first bend past the correctional facility). Landfill is 0.5 km on the left hand (west) side.

**Address: 51 Wilson Road**

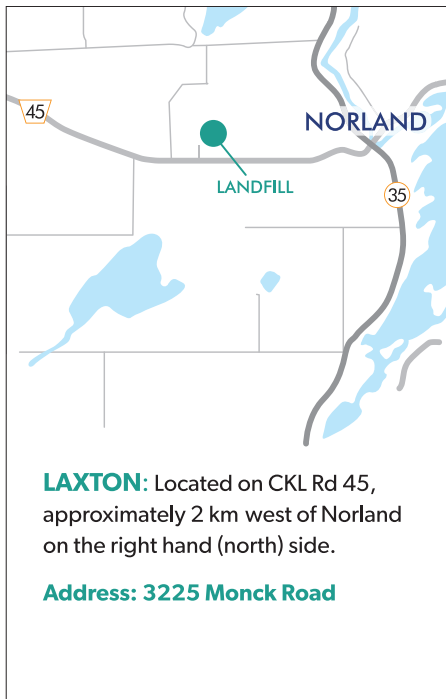

BURNT RIVER

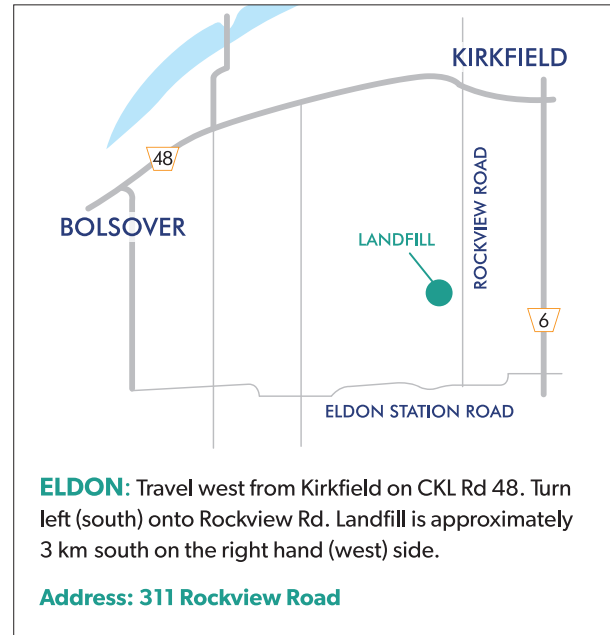

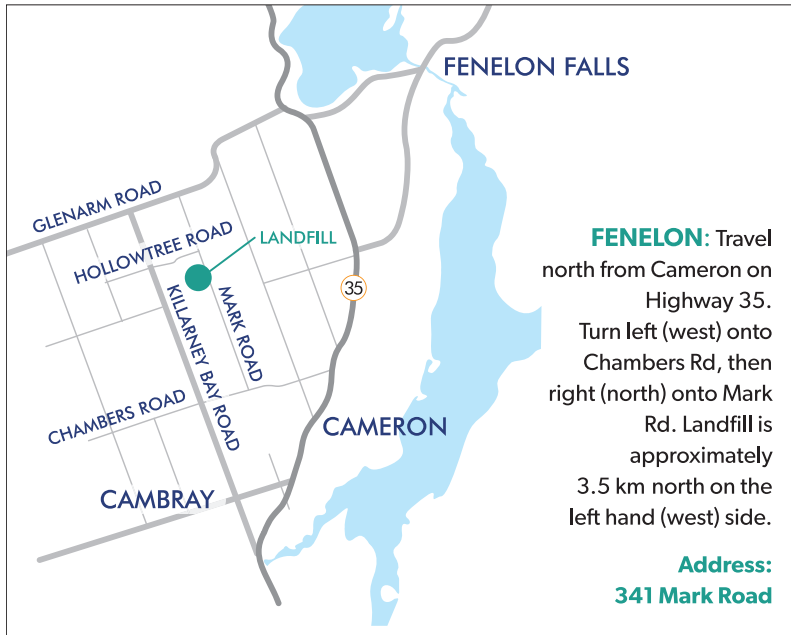

**SOMERVILLE:** From CKL Rd 121, turn right (south) onto Ledge Hill Rd. Landfill is approximately 2 km south on the right hand (west) side.

**Address:  
381 Ledge Hill Road**

**LAXTON:** Located on CKL Rd 45, approximately 2 km west of Norland on the right hand (north) side.

**Address: 3225 Monck Road**

## To ensure your visit to a landfill is quick and convenient:

1. Stop at the scale house on arrival for instructions
2. Follow instructions carefully (ask again, if necessary)
3. Pay attention to all site signage
4. Once material drop off is complete, return to the scale house to check out

**When not in operation, access to landfill sites is restricted. Charges for trespassing will be laid.**

## Landfill Hours

 **Summer Landfill Hours • May 1 to October 15** • Hours may be subject to change based on operational requirements. All landfills are closed Canada Day. Lindsay Landfill is also closed Holiday Mondays (Victoria Day, Civic Holiday, Labour Day and Thanksgiving).

Landfill	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday	Holiday Monday
<b>Eldon</b>	Closed	Closed	9am-5pm	Closed	Closed	11am-5pm	11am-5pm	11am-5pm
<b>Fenelon</b>	9am-5pm	Closed	9am-5pm	Closed	Closed	9am-5pm	Closed	9am-5pm
<b>Laxton</b>	Closed	Closed	Closed	11am-5pm	Closed	Closed	11am-5pm	11am-5pm
<b>Lindsay</b>	8am-5pm	8am-5pm	Closed	8am-5pm	8am-5pm	8am-3pm	Closed	Closed
<b>Somerville</b>	11am-5pm	Closed	Closed	Closed	11am-5pm	11am-5pm	Closed	11am-5pm

 **Winter Landfill Hours • October 16 to April 30** • Hours may be subject to change based on operational requirements. All landfills are closed New Year's Day, Family Day, Good Friday, Christmas Day and Boxing Day. The Lindsay and Eldon landfills are the only landfills scheduled to operate on Christmas Eve and New Year's Eve, they will be open from 8am to 12pm, all other landfills will be closed.

Landfill	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday	Holiday Monday
