# FAQs

## How should I set out my cart for collection?

Set your recycling cart so that the wheels are away from the curb (towards your home, and the lid opens to the street). Place recycling and garbage carts at least 3 feet in front of or beside fences or vehicles. Place your cart on a flat surface clear of any snow and ice.

## What if I have excess recyclables that will not fit into the cart?

If your recyclables don't fit, save them for your next collection day.

## Can I request a second cart?

If you need a second recycling cart, you can request one from GFL for purchase.

## What if I bought my own cart, can I set it out for collection?

Yes, you can use your own cart.

## Benefits of recycling carts

- ✓ Recycling carts, with lids fully closed, help **minimize litter** and reduce odor and pest issues.
- ✓ **Increased storage** capacity between collections allows for more space for your recyclables.
- ✓ Collection systems with recycling carts create a **safer working environment** for workers and reduce the risk of injury and accidents.
